Playing His Last Goodbye!

The night before he had been the great musician, playing to rapturous thousands. Now he was just a plain old mother's "baby," playing to her and the girl he loved. Perhaps he should play no more—perhaps not see them again.

So he played "Humoresque"—that laugh on life, with a tear behind it—and was gone!—Where?

A story that blends the slum and the avenue, the din and the music, the sorrow and smiles of life in a happy melody, silently played on the screen.
